DOMAINFest Has Entered Its One Week Countdown!

- DOMAINFest is regarded as the platform specially focused on forging East-West exchange amongst the entire world's domain name industry. It will be held from September 4-7 in Macau at the Grand Hyatt Hotel.
- Jothan Frakes is quoted saying that this event is not just for domainers, but also for other relevant industries, particularly digital marketing, and it is a really great business development opportunity. Also expressed is the value of domain names for branding and sales and the fact that DOMAINFest is a great opportunity to find commercial and business partners.
- In addition to Chinese, Japanese, Indian, European, and American attendees, there are also many trademark protection organizations, social media marketing suppliers, and search engine optimization service suppliers attending.
- DomainFest as a brand is described at the bottom.
- Accompanying this event will be a high quality domain name auction which is already online and opened for bidding on 4.CN. RightofTheDot is an internationally renowned auction organizer with a large record of successful past auctions. Including the 9.5 mil dollar sale of Porn.com. 4.CN is one of China's highly praised auction platform.
- The auction will have many three-letter, three-number .com, one-word, one-number, short pinyin new gTLDs, all incredibly rare in the market. In recent years the domain name market in China has been very popular. Many ten million yuan and up to one hundred million yuan names have been sold by Chinese buyers (Qihoo 360 bought 360.com this year for one hundred million CNY)
- A link to the online auction is included.
