DOMAINfest Asia Pursued Amongst Sponsors

- DOMAINfest Asia has announced through its official Weibo account that its event has received more and more support from internationally renowned companies and organizations. Gold sponsors for the event include .CLUB, Radix, Afilias, and .Asia. There are also many companies playing various important roles that cover different aspects of the domain industry and bring variety to the event. Logos of all the existing sponsors are included in the article.
- The article highlights the most recent confirmed attendees from Hong Kong and India.
- It also mentions that this event has garnered great attention from the western domain industry, as many English domain bloggers have reported this event and included a link to the media coverage page of the DOMAINfest Asia official website.
- A quote from Edmund Chung is included explaining that this is the first time the western and eastern domain industry will be brought together.
- A quote from Jothan Frakes is also included addressing the importance of DOMAINfest events and how they are great for the industry opportunities to network.
- The article also mentions that Right of the Dot's online domain name auction will be hosted on 4.CN and has received over 1,000 name submissions including highly valuable NN, LL, NNN, LLL .COM names as well as some short new TLD names.
